To whom it may concern,

Tessie 19-3779, standardbred trotter, stallion, microchip 985141001349073, owner Jerry Bengtsson AB, Gårdsby, Backen 2, 355 92 Växjö.

The above mentioned horse had arthroscopic surgery at Evidensia Helsingborg Equine Referral Hospital the 26th May 2020 for left hind *osteochondrosis dissecans* of the distal intermediate ridge of the tibia.

The surgery and recovery were uneventful.

The prognosis for athletic function is considered to be excellent.
