Subject: Please Find Attached your Yearling Engagements

Included here is a list of engagements for each yearling you had staked by Bluegrass Staking Service. We are sending via fax or email if available. If you would prefer a hard copy in the US mail, just let us know!

Please file this information with your yearling registration form. If you sell your yearling, this information should go to the new owner.

If you listed a sales company on your yearling nomination form, we are also sending this list to the yearling sale. Names of sale companies/consignors that are also receiving this information are listed on the upper right corner of the yearling's page.

The next payments for all events listed will be due in 2023. If you keep your yearling, you will need to be sure to sign up for our racehorse service this fall. Look for your service application in early November.

Also, for your convenience, we are including a form for your **FOALS OF 2022**. If you have not already sent your list, please complete and return this form and we will remind you when it is time to make your yearling nominations next season.

Thank you for choosing Bluegrass Staking to service your staking needs!
