

Hit or Miss (577052)

Hingst, Född 28-04-2022

Operation 14-02-2023: Fetlock joint arthroscopy RH (Kotled HB), Plantar osteochondral fragment (POF) proximal-medial P1.

Fetlock RH (Kotled HB): Routine approach to the plantar medial aspect of the fetlock joint. Fragment dissected with shaver and removed with Rongeur. Normal cartilage in the remainder of the joint.

The prognosis is good and the operation is not expected to affect the performance of the horse in the future.
