

Cricket Art CG (581350)

Hingst, Född 01-01-2022

Operation 13-06-2023: Fetlock joint arthroscopy LH (Kotled VB) and bilateral hock joint arthroscopy (BB hasleder)

Right hind: Moderate sized fragment removed from the hock and the subchondral bone curetted

Left hind: Moderate sized fragments (3) removed from the left hind hock and subchondral bone curetted. Small fragment removed from the plantar pouch lateral aspect of the fetlock

Normal cartilage in the remainder of the joints.

The prognosis is good and the operation is not expected to affect the performance of the horse in the future.
