CAPTAIN GARDE (38973)
Hevonen, lämminverinen
Born: 22.3.2023
Gender: Ori

Veterinary certificate

The horse Captain Garde has been operated at Tampereen hevosklinikka (Tampere equine clinic) on the 3rd of April 2024. Bone fragments were removed from both hocks in arthroscopic surgery.

There is a small lysis in the lateral aspect of the first phalanx. This finding does not require any procedures.
